

CoolAir Nuisance Air Filtration System

Part #: 30-600-4-I

The CoolAir Nuisance Filtration System is a lightweight, low-cost blower system that removes visible dusts and allergens from the surrounding environment using a belt-mounted fan unit and HEPA-grade, non-approved filter and sends continuous, cooling airflow into a Z87 Plus-rated face shield.

The CoolAir is suitable for allergy sufferers looking for relief from high pollen counts, those who are working in their back yards or on yard maintenance crews looking for relief from leaf mold and other airborne contamination, home inspectors, and other light in-home applications.

Features:

- + Provides 4 hours of continuous, filtered air
- + Variable flow-rate fan
- + Impact-resistant Z87+ ANSI face Shield
- + Total system weight of 2.8 Lbs
- + Rechargeable li-ion battery

Accessories:

P/N: 30-601-30-I - CoolAir Replacement Filter Pack/10

CoolAir Nuisance Air Filtration System

Part Number	30-600-4-I
Unit Weight:	1.1 Lbs (Blower Unit) / 1.7 Lbs (Headpiece)
Blower Unit Dimensions:	8 (H) x 8(W) x 2 (D)
Airflow:	170 LPM / 190 LPM
Operation @ 170 LPM:	4 Hrs
Battery:	Li-Ion Rechargeable
Hose Connection:	Din-40
Respirator Certification:	N/A

IMPORTANT NOTICE

Products that do not list an explicit NIOSH or ANSI approval on our website do not carry such an approval and should not be used in OSHA regulated environments without the expressed, written approval of a qualified safety manager or local representative of OSHA. No respirator sold by Peke Safety is suitable for asbestos remediation.

All respiratory and safety equipment, regardless of approval, should not be used without prior medical sign-off by a certified physician.

This spec sheet is only an outline. It should not be used as the only means for selecting protective clothing. Before using any protective clothing, the wearer must read and understand the user instructions for each product. Specific country legislation must be observed. If in doubt, contact a safety professional. Selection of the most appropriate personal protective equipment (PPE) will depend on the particular situation and should only be made by a competent person knowledgeable of the actual working conditions and the limitations of PPE. Final determination as to the suitability of these products for a particular situation is the user's responsibility. This information is subject to revision at any time. Always read and follow all User Instructions supplied with your Peke Safety LLC Protective Coveralls in order to ensure correct operation. If you have questions, contact Peke Safety LLC. Peke Safety LLC will replace or refund the purchase price of any Peke Safety LLC product found to be defective in material, manufacture, or not in conformance with any express warranty. This warranty is exclusive and is in lieu of any implied warranty of merchantability or fitness for a particular purpose.

LIMITATION OF LIABILITY

Except as provided above, Peke Safety LLC shall not be liable or responsible for any loss or damage, whether direct, indirect, incidental, special or consequential arising out of the sale, use, misuse of Peke Safety LLC products, or the user's inability to use such products. THESE REMEDIES SET FORTH HEREIN ARE EXCLUSIVE.
